PLEASE ARRIVE DRESSED IN FULL COSTUME WITH COSMETICS FULLY APPLIED AND HAIRSTYLE COMPLETE 15 – 20 MINUTES BEFORE YOUR SCHEDULED PICTURE TIME.

WE DO NOT WAIT FOR ANY LATE ARRIVALS... PLEASE BE EARLY!!!

Double and triple check your picture date and time listed in bold print. Both individual and group photos are taken within a 15-minute increment. If you miss the group photo, you may still have an individual photo taken when we are able to fit you in. We will not go off schedule to take any individual pictures.

If you will not be able to make your scheduled picture time, please let us know in advance. Sometimes we get ahead of schedule and will take the group picture early if all of the dancers are ready to avoid any possibility of getting behind schedule.

COSTUMES, HAIRSTYLE & MAKE-UP – All dancers should be dressed in **FULL** costume (all necessary alterations must be made to your costume(s) according to the costume instruction sheet including shoulder straps properly placed, pant hems taken up, elastic chin straps attached to hats, etc.) with proper tights, shoes and hairstyle.

Dancers' costumes, tights, shoes and hairstyles are checked for accuracy on Picture Day to better prepare for dress rehearsal & recital dates. A lighter version of stage cosmetics is strongly suggested for all dancers for Picture Day. Follow the cosmetic application instruction sheet (which you will receive with your costume and costume instruction sheets) using less of each product to achieve a somewhat lighter look for Picture Day.

HAIRSTYLE & MAKE-UP APPLICATION SERVICES – Again this season we are offering assistance with hair styling and cosmetic application on Picture Days! We charge a small fee for these services as a fundraiser for the TI Program dancers. Watch for specific details to come in our May newsletter!
